Grievance

To Whom it May Concern:

Today around 2:30 P.M. we had a male hispanic Pod Deputy refusing to help get medical care for inmate Gould in K Cell of 4W1 Pod. I was in her cell with her when she broke out in tears of pain. Her foot was broken in this jail Feb. 10, 2023. She has been given one Ibuprophen on the lot not for (keep on pain) like some have. She hasn't been given surgery, a boot, nor permanent care. I witnessed for the past 3 days Pod Deputies say they'll ask the Sergeant or have a Rover take her down to chronic care. Around 2:20:00 TODAY the hispanic male D.C. in our picket said he'd come by and help during his over "rounds". On camera he flirted with inmate in A-cell. He refused to help inmate in K-cell. I even pointed when he said "who's in there?" She yelled at him to help. He told me "I'll help her after I do rounds upstairs". Then came downstairs & deliberately bypassed her →

TO Whom it May Concern:

The male hispanic Pool Deputy refused to supply his name nor allow us to speak to the Sergeant in duty. He didn't alert medical. Medical has ignored FOUR of us total who are WEEKS past due for surgery! Or pain relief. Or needed medical accommodations.

That same male D.O. said "Fisher is supposed to be in K-cell and Gould in I-cell." I replied "Yeah, and Gould is an crutches & handicaps and cannot go up two flights of stairs SO SERGEANT moved her downstairs because she has a bottom bunk, too!"

That same male makes me feel uncomfortable because he was verbally aggressive yelling, swearing profanity at me, and slandering me and using defamation of character on top of flirting openly sexually with female inmates telling them he is single. I fear for my well being and safety. He is sexually and verbally inappropriate and unprofessional. I don't know how he will react, retaliate, or continue such actions.

End of report.

On March 22, 2023 I, Detention Officer B. Spells (EIN [REDACTED]) was contacted via phone by Deputy P. Small whom is an investigator for the PREA Unit.

At approximately 1500 hours, Deputy Small conducted a phone interview in regards to allegations that were made against me. Deputy Small asked if I was familiar with Inmate Slayton. I informed Deputy Small that I am aware of who Inmate Slayton is. Deputy Small also asked if I recalled an incident where I stripped search Inmate Slayton after her attorney visit on an unknown date in June of 2022. I informed Deputy Small that I cannot recall the incident at the time but I am not saying an event did not occur where Inmate Slayton was stripped search. I do know that if Inmate Slayton was stripped search, it was not in front of male inmates and a supervisor was notified prior to Inmate Slayton being searched. During June of 2022, we did have male inmates housed on the 4th floor. All male inmates had to be escorted when leaving off of or being housed on the floor. Also, anytime that a male inmate was brought to the floor or leaving, we had to freeze the floor for all female inmate movement.

Dating back, I do recall an incident where an Officer was walking in the secure side of the 4th Floor Control Center (FCC) vestibule where they heard an attorney who was having a visit with an inmate state something along the lines of, "Oh, you are hiding all kind of things on you, huh?" Lieutenant A. Gleason who was the Floor Supervisor on shift at the time was notified. The Inmate who was having the attorney visit was identified as Slayton, Kelly. Inmate Slayton was stripped search in the 4th Floor Elevator Lobby Holding Cell (where there are cameras installed) for contraband. I am unaware of the other female Officer(s) that were present during this time.

Inmate Slayton has been assigned to 4N1 since November/December and I have been the Officer assigned to the Pod Control Center (PCC) majority of the days that I am scheduled to work. Inmate Slayton have written numerous of grievances on me when I am following what is stated in HCSO Policy and the Inmate Handbook.

At approximately 2120 hours, Inmate Slayton, Kelly (SPN 03078865) approached the PCC window on 4F1 side and asked to speak to the Sergeant. I asked inmate Slayton what was going on and she informed me that a group of inmates had jumped her physically by her bunk in F-Cell. I did observed red marking around her face and neck. I tried to see if I could identified the inmates who were in the group. When looking inside 4F1F-Cell I observed several inmates circling another unidentified inmate. I was able to recognize the three inmates from the Harris County issued t-card as inmate Alfred, Tenika (SPN 02435765), Hilliard, Makayla (SPN 02994337), and Wilson, Felicity (SPN 03063865). I observed these three inmates assaulting inmate Huereca, Lillian (SPN 03055072) with closed fists around the face and body. That's when I called for all available rovers for an inmate assault. Detention Officer S. Homouda (EIN [REDACTED]), F. Hernandez (EIN [REDACTED]), and T. Cleveland (EIN [REDACTED]) arrived at the cellblock when the assault was over. D.O Homouda and Cleveland escorted inmate Slayton, and Huereca out of the cellblock, both inmates had the opportunity to look through the Harris County t-cards and positively identified the inmates who assaulted them. Both inmates were able to point out the same three inmates who I observed did the assault. Afterwards inmate Slayton and Huereca were escorted to the 1200 medical to seek medical treatment. It is recommended to Classification that inmate Slayton and Huereca be move out of the cellblock for their safety.

It's about 9:10PM ~~na~~ ^{Grievance} writing you to grievance housing and medical. Nearly 30 minutes ago or so medication cart came by. Housing didn't call "medication cart" on the big speaker. Between the loud t.v. & the glass door between inmates and the nurse, and the soft-spoken nurse "Barbie" as inmates call her because she doesn't give her name and is plastic like a Barbie. Around 9:30PM after I asked the cover to call segment because my pod deputy refused to call med cart to redeliver meds or a cover to take me down stairs for med. The cover came to get me while my pod deputy continued to argue with me on my speaker in J-Cell (4N1 + 2el.) The pod deputy didn't provide his name and I don't know her. In the hallway several pods ALSO missed med cart because the pod deputies didn't announce it on the big speaker in 2,000 sqft pods. I told the cover I feared "roving patrols" with "Keep Separates!" I was at A-pod door way, waiting on "Barbie" who had an attitude and said "You have to let your pod deputy know to announce it." I had just told her I told my pod deputy that so she said "I know Barbie that's why I'm here, that's what I did and she didn't care." While getting my meds in the hallway a black woman from another pod asked about my bra, reached around and touched the underwire back of my bra from behind me, as I was for my med. med cart getting meds. I said in a sharp voice "Don't touch me! I don't know you like that!" = S... Nurse said nothing and said the nurse →

On Friday June 9th, 2023, I, Detention Officer A. Olivares (EIN [REDACTED]), was assigned to 4th floor, Late Watch, C-Pod, of the Harris County Sheriff's Office Detention Facility located at 1200 Baker Street in Houston, Texas.

At approximately 2300 Hours, Inmate Slayton, Kelly (SPN: 03078865) identified by armband/T-card came up to the PCC window. Inmate Slayton informed me that someone in the pod was stealing her commissary and hygiene. Inmate Slayton identified Inmate Friday, Tara Lauren (SPN: 02482788) by T-Card and said the following "She already got me sick and I think she gave me a std, she won't leave me alone, because I won't be her girlfriend anymore, she thinks that I got to eat her out for my trays, I don't want her to end up beating my ass, she already said she was going to cut me in my sleep".

I informed Inmate Friday that she was in violation of Code 2103, "Threatening" of the Harris County Sheriff's Office Inmate Handbook. Which states "No inmate shall place another in fear of physical injury by verbal or physical conduct, or by written communication.

I am requesting that Inmate Slayton should be removed from the 4CI housing area for her safety.

Sergeant C. Roach (Badge #199) and Classification Officer T. Stevens (EIN: [REDACTED]) were also notified.

On Saturday June 10, 2023, I, Detention Officer T. Varnado (EIN [REDACTED]), was assigned to Late Watch, Fourth Floor B-Pod, of the Harris County Sheriff's Office Detention Facility located at 1200 Baker Street in Houston, Texas.

At approximately 0230 hours I received a new house to 4B2 identify by her Harris County T-Card/Armband as Inmate Slayton, Kelly (SPN 03078865). Inmate Slayton came to the pod door stated to me that she was going to kill herself over a report that another Detention Officer wrote. She also stated to me that she was suicidal and had a plan to kill herself so I better get my report done. We began to talk about why she wanted to kill herself. After, we talked she said that she was fine and that she was going inside the pod and go to sleep. She then went inside 4B2E and approximately five minutes later I noticed that she had started to tie something, which appeared to be a towel, around her neck. I processed to call for the rovers over the TOA and Detention Officers Spells, Mosley and Voliber all responded to the call. When the rovers entered B pod, Inmate Slayton started taking off the object, which was a towel, from around her neck and walked out the cell. The rovers handcuffed Inmate Slayton and escorted her out of B-pod.

I'm charging Inmate Slayton with violation Code #1111 **SELF - MUTILATION OR INJURY TO ONE'S SELF** which states "No inmate shall cause injury to him/herself, to include but not limited to hanging, cutting, and slicing."

I recommend that Inmate Slayton be put in a J-Pod until she is able to go back into General Population.

Inmate Slayton was given the opportunity to write a statement, which she denied. A Confirmation of Service was issued to Inmate Slayton.

Sergeant Y. Saenz and Classification Detention Officer T. Stevens (EIN [REDACTED]) were informed of this incident.

On Friday, June, 09, 2023 I, Detention Officer B. Spells (EIN [REDACTED]), was assigned as a Rover, Late Side, of the 4th Floor of 1200 Baker Street Detention Facility located in Houston, Texas, 77002.

On Saturday, June 10, 2023, at approximately 0230 hours there was a floor page made for Rovers to B2 for inmate disturbance. Detention Officer T. Varnado (EIN [REDACTED]) (whom was the Pod Officer for B pod) informed Responding Officers and myself that an inmate was upset about transferring to B2 and stated that she would kill herself and she had a plan. The inmate was later identified by her Harris County issued armband/T-card as Slayton, Kelly (SPN 03078865). I notified Sergeant Saenz and asked her for her presence due to Inmate Slayton's known history of false allegations against staff. Upon arrival to B2, I observed Inmate Slayton tying a towel to the bars of B2E Cell. Once Inmate Slayton seen Responding Officers walking towards E cell, she rested what appeared as a torn towel around her neck. Detention Officer C. Voliber (EIN [REDACTED]) took the towel from around Inmate Slayton's neck. Detention Officer Voliber ordered Inmate Slayton to turn around so that she could be restrained with handcuffs, Inmate Slayton complied.

Detention Officers Voliber, S. Mosley (EIN [REDACTED]), Sergeant Y. Saenz (Badge #935) and I escorted Inmate Slayton to 4J1 so that we could remove any articles that could assist her with committing self-mutilation or injury to herself. Detention Officer Voliber removed the restraints from Inmate Slayton. Inmate Slayton was ordered to remove all articles from her person. Inmate Slayton refused and stated that if we attempted to remove any articles from her person that she would file a sexual assault case against Responding Officers and contact PREA. Inmate Slayton was again ordered to remove all articles, she refused. Responding Officers and myself started to assist Inmate Slayton with removing articles from her person. Inmate Slayton started resisting by kicking her feet and swinging her arms towards Responding Officers and myself. I took hold of Inmate Slayton's right arm and gained control while articles were being removed. Inmate Slayton continued to resist by attempting to strike Officers with a closed fist and moving her body back and forth making it difficult to remove articles. After articles were successfully removed from Inmate Slayton's person, Responding Officers started stepping out of K Cell. Inmate Slayton rushed off of the bunk and delivered a closed fist strike to Detention Officer Voliber's face area. Responding Officers immediately rushed to assist Detention Officer Voliber with controlling Inmate Slayton as she still had a clinched fist. I ordered Inmate Slayton to remain on the bunk until all Officers left out of the cell. Inmate Slayton complied. All Officers left K cell without further incident.

I did not witness any Officers use force at any time. I did not observe any injuries on Inmate Slayton, nor did she complain of any pain in my presence.

On Friday, June 09, 2023, I, Sergeant Y. Saenz was assigned to the 4th Floor of the 1200 Baker Street Jail Facility on Late Watch.

At approximately 0230 hours, Detention Officer B. Spells (EIN [REDACTED]) informed me that Inmate Slayton, who was identified by her Harris County issued armband/T-Card, was upset about transferring to B2, and stated to several officers that she wanted to kill herself and she had a plan to do it. Detention Officer Spells informed me that for the safety of the inmate they were going to place Inmate Slayton in J1K, where all articles could be removed from her so she can't possibly harm herself. Deputy Spells then informed me that due to Inmate Slayton's behavior history and her being upset they believed she would possibly resist and not comply with their orders. Deputy Spells further informed me that Inmate Slayton has a history of making false allegations against officers therefore they, the officers, would like for me to be present during the transfer.

For that reason I was present as Detention Officers Spells, Mosley, and Voliber escorted Inmate Slayton into J1K. Once Inmate Slayton was inside J1K, the officers removed the restraints from her and ordered her to remove everything from her body. Inmate Slayton refused and stated to the officers that if they removed her clothing she was going to file a sexual assault against them and contact PREA. The officers then assisted Inmate Slayton in removing her clothing but she was resisting by kicking her legs and swinging her arms towards the officers.

The inmate refused to obey any orders the officers were giving her and continued to resist by moving her body back and forth making it hard for the officers to remove her clothing. At that time, I assisted the officers by holding down the inmate's legs to avoid anyone from getting hit by them. After a short struggle the officers successfully removed all articles from Inmate Slayton and began to exit the cell.

As the officers were walking out of J1K, Inmate Slayton got up from the bunk and delivered a closed fist strike to Detention Voliber's face area. Detention Officer Mosley, Detention Officer Spells, and myself heard the struggle and immediately rushed back into the cell to assist Detention Officer Voliber. We immediately detained the inmate and ordered her to remain on the bunk as the officers exited out of the cell. Inmate Slayton complied and all Officers left the cell without further incident.

I did not observe any injuries on Inmate Slayton nor did she complain of any pain in my presence.

Request Details: Today is 6-28-22 at 9:50am the maintenance men came in to fix a door. The male Rover Molinas was staring at people in the shower. None of my requests to SGT are answered. My grievances regarding this same DO were ungrievable in 4A1A pod where he had staff inmate relationships with my keep seperate. Then 6-10-22 in 4A2A I was jumped in my sleep when he was in the picket. I wasn't taken to medical by the dame mexican female rover in th picket on her phone on Instagram today at 9:50am and at 12am-12pm 6-10-22 through 6-11-22. The Rover Molinas today made many passing comments to me. I went to my f cell in 4C2 pod to avoid contact with him. He made an effort to walk into my cell, verbally threaten violence on me and I have witnesses. He harrasses me and I DONT FEEL SAFE. IT FEELS LIKE A SET UP AND HE MADE ME FEAR FOR MY LIFE AND SAFETY BOTH PHYSICALLY AND SEXUALLY. I WAS HALF NAKED UNDER MY BLANKET ON TOP BUNK AND HE THREATENED TO RIP ME OFF THE TOP. Please investigate. Stop jail abuse!!!!

Request Details: Attention Captain Diaz and SGT S Ward, Could I please have a follow up on the report made about the date 06-12-2022 when on that date Rover P. Spells made me strip search. From 8-10pm I had a noncontact attorney visit, afterward was strip searched without reason and never before done. It was in the holding cell across from the elevators on the fourth floor in view of the windows and camera. There were male nurses, male trustees, and male jailers all in view and roaming around the floor in front of the holding cell. I was violated and sexually abused that day without reason or cause. I would like an investigation without the two males that do PREA interviews. They make me uncomfortable and are bias and discriminatory. I would like closure and a reason as to why I was strip searched in front of males and without a reason. I was terrified and after being victimized and human sex trafficked prior to jail I prefer to not to talk to two black males in a closed room alone about anything sexual!

On Friday, June 10, 2022, I, Detention Officer I. Fabian (EIN [REDACTED]), was assigned to the 4th floor, Late Watch, in A- Pod, of the Harris County Sheriff's Office Detention Jail Facility, located at 1200 Baker Street, Houston, Texas.

On Saturday, June 11, 2022 at approximately 0030 hours, an unidentified inmate approached the window on 4A2A requesting to speak to me inside the vestibule. That inmate was later identified by the Harris County issued armband/t-card as inmate Slayton, Kelly (SPN 03078865). During that time another inmate approached inmate Slayton and began to physically assault her with closed fists around the face and body. I immediately paged for all available rovers for an inmate assault. Detention Officer A. Rada (EIN [REDACTED]) and G. Vasquez (EIN [REDACTED]) arrived at the scene and escorted inmate Slayton out of 4A2A cellblock. Inmate Slayton informed me that another inmate had assaulted her as well behind the pillar in the back of the cellblock. Inmate Slayton was able identified both inmates and I did observed inmates Carrillo, Marissa (SPN 02687389) initiating one of the assaults. Inmate Slayton was able to use the Harris County t-card to identify inmate Zamora, Yara (SPN 03141078) who assaulted her as well in the back of the cellblock. Several inmates from 4A2A informed me that inmate Slayton had been saying racial slurs towards them calling them "Wetbacks" which was the reasons for the assaults. It is recommended to Classification that inmate Slayton be move out of the cellblock for their safety.

Inmate Zamora, Yara (SPN 03141078), and Carrillo, Marissa (SPN 02687389) are being charged under Code #1104 – Assault of Any Inmate of the Harris County Inmate Handbook, which states, "No inmate shall strike, kick or cause any unwanted contact with another inmate that causes pain or injury or make any legitimate attempt to do so." A Confirmation of Service will be issued upon the completion of this report.

Sergeant A. Gleason (Badge #166) and Classification Detention Officer R. Pallini (EIN [REDACTED]) were notified of the incident.

On Saturday, August 6, 2022, I, Detention Officer S. Noah (EIN [REDACTED]) was assigned to work on the Fourth floor, C- Pod, Early watch, in the Harris County Sheriff's Office Detention Facility located at 1200 Baker Street in Houston, Texas.

At approximately 0945 hours, Inmate Slayton, Kelly (SPN 03078865), from cellblock 4C2 approached the pod control window to inform me of Inmate Jackson, Tachaka (SPN 03048075), was sexually touching and harassing her while serving dinner meal yesterday. Inmate Slayton stated to me that Inmate Jackson walked to her and gave her a hug, at the same time grabbed her breast when she was in line to get her meal. Inmate Jackson denied the accusation. Sergeant L. Mitchell (Badge # 117) reviewed the video footage that occurred on August 5, 2022, around 1140 time and did not see any PREA or abnormal event. Therefore Inmate Slayton would be written up for lying or providing false statement. Inmate Jackson was escorted to 4th floor holding. I highly recommend for Inmate Jackson to get relocated to another housing location for her safety.

Sergeant L. Mitchell (Badge # 117) informed Katrina Camacho from PREA about this incident.

I informed Inmate Slayton that she was in violation of code (2309) LYING OR PROVIDING FALSE STATEMENTS, which state "No inmate shall make any statement (written or verbal) to a Detention Officer, Deputy, or Staff Member that is untrue." A Confirmation of Service will be given to Inmate Slayton at the completion of this report.

Sergeant. L. Mitchell (Badge 117) and Classification Detention Officer M. Branch (EIN 148490) were notified of the incident.

Request Details: Attention Caplin Diaz, Today s Monday, August 22, 2022. On Saturday, August 20, 2022 I "fell out" and lost consciousness. I was in a lot of pain for days that is why this request is late. I was at medical all day deprived of food. The males downstairs, a group of them, one named Mendoza was making sexual asian sex sounds. They were yelling it in groups echoing the hallways. "Oh yeah.. Oh fuck yeah.. Fuck me in the pussy..." And more. I felt uncomfortable. This is sexual misconduct and PREA. Also, it was second shift when a rover took me upstairs. One that was yelling sexually inappropriate words downstairs. I told the newer tall white Sergeant in his office on my way up but he ignored me and yelled at me rudely. I don't know his name. Per chain of command and in reference to page 14 in the handbook this is a PREA violation and staff misconduct that needs addressed because the Sergeant wouldn't. Thank you for your time!

On Saturday November 12, 2022 through my pod deputies. Cardwell wanted specifics and was dismissive. Burnnett the tall white Sergeant was rude and ushered me inside my pod defensive saying (sergeants dont assign pod deputies to pods) when I told him NGUYEN was specifically put n my pod for me as he said. I told him about the cameras and how he stroked my hair, trying to force me to talk about my criminal case and defend myself. When he saw he was recorded with sound, couldn't turn it off like he does in 5E pod he freaked and let me inside Saturday at 4-5am. Many inmates witnessed. Sergeant Burnnett also freaked when I told him in the hallway, slamming the door behind me, unsubstantiated and saying its untrue via SGT kiosk requests. Fwd to attorney! No comments necessary w/out my atty.

I did and he was sexually inappropriate, laughing, and confirmed the death threats. Out of characters

Request Details: Attention Sergeant R. DeAlejandro, in response to 11-13-22 grievance I ran out of characters to get more specific. I asked to speak to Sergeant Cardwell, Sergeant Roach, and Sergeant Burnnett (Barnett?) On Saturday November 12, 2022 through my pod deputies. Cardwell wanted specifics and was dismissive. Burnnett the tall white Sergeant was rude and ushered me inside my pod defensive saying (sergeants dont assign pod deputies to pods) when I told him NGUYEN was specifically put in my pod for me as he said. I told him about the cameras and how he stroked my hair, trying to force me to talk about my criminal case and defend myself. When he saw he was recorded with sound, couldnt turn it off like he does in 5E pod he freaked and let me inside Saturday at 4-5am. Many inmates witnessed. Sergeant Burnnett also freaked when I told him in the hallway, slamming the door behind me, unsubstantiated and saying its untrue via SGT kiosk requests. Fwd to attorney! No comments necessary w/out my atty.

Request Details: Attention Sergeant R. DeAlejandro, Today is Sunday, November 13, 2022. Yesterday, Saturday, November 12, 2022 I asked Ms. Perez on first shift to speak to Sergeant Cardwell or Lt. Watchcommander about death threats and jumpings threats by my keep separates next door. In continuous of the same concerns I last grieved you this week Sgt. Barnett came to see me on second shift being weird, rude, and obviously not trying to understand the gravity of the situations I explained but cover it up based off his dismissive defensive stance. Friday, November 11, 2022. Around 6:30-7pm I was on the kiosk Lexis Nexis and DO. R. Nguyen called me to the window by flashing his light, he asked the keep separates next door why they were planning to kill me, he tried to pop my door and I closed it, the morning of Saturday around 4am he flashed the light while I was on the toilet and asked me to step out. I did and he was sexually inappropriate, laughing, and confirmed the death threats. Out of characters
